HELP IS PROVIDED THROUGH

- **Disaster relief:** Emergency help is given to victims of hurricanes, tornados, fires, floods, earthquakes, and war. Also, by working through local churches and other organizations, victims are helped and loved.
- **Outreaches:** Effectively joining churches and communities in a united, one-day effort of compassion and spiritual help, thousands come to Christ each year and millions are fed.
- **Supply lines:** Providing existing ministries with food and supplies for distribution on an ongoing basis.
